## CHARLOTTE & SARASOTA

# Lab Locations

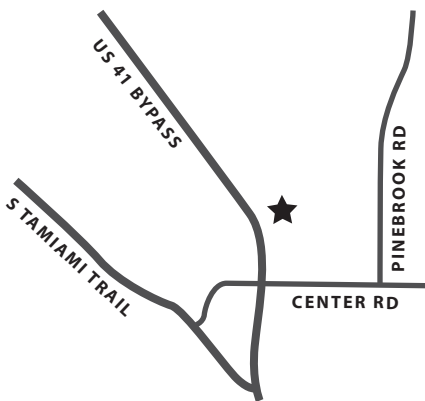

Staffed with friendly and knowledgeable phlebotomists, our labs are located conveniently throughout Southwest Florida. Appointments are now accepted at all of our Charlotte County locations! You can now book your lab appointment at your physician's office, ask your front desk team for more info!

Our patients have the benefit of Millennium Physician Group's Lab Services. Most lab results are available to your Millennium Physician Group provider within 48 hours through our Electronic Medical Records.

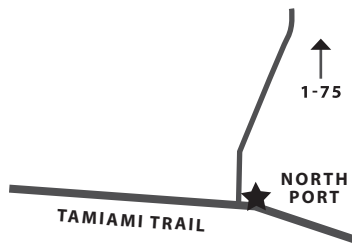

Please remember to bring your insurance and photo ID. Also, please check with your physician to see if fasting or any special preparation is required to ensure accurate results.
