

Other Providers

Services may be provided in this health care facility by the facility as well as by other health care providers who may separately bill the patient and who may or may not participate with the same health insurers or health maintenance organizations as the facility.

Patients and prospective patients may request from this facility and other health care providers a more personalized estimate of charges and other information, such as billing practices. Patients and prospective patients should contact each health care practitioner who will provide services in this surgery center to determine the health insurers and health maintenance organizations with which the health care practitioner participates as a network provider or preferred provider.
